The pay of the post of Peshkar of the Thirupathi Chattram has not been fixed by Government. The present incumbent, who was a Sanitary Inspector previously has been allowed to draw his grade pay as Sanitary Inspector from time to time plus a sum of Rs 10/- extra. The present proposal is to treat this sum as personal allowance for purposes of calculating the average emoluments for pension. Even taking this extra amount as forming part of his pay as Peshkar, it cannot be counted for " pension " as this should be regarded as a temporary pay in a non-pensionable establishment. In view however of the fact that contribution towards pension is being recovered on this extra emolument also and charged to the funds of this Institution, in addition to his pay and allowances, the recommendation of the Muzrai Commissioner may perhaps be sanctioned as a special case.

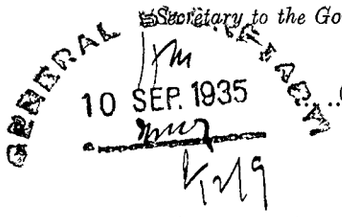
Secretary to the Government of His Highness
the Maharaja of Mysore,



General ..... *Department*

Treating of the allowance of Rs 10/- given to the Tirupati Peshkar as personal for calculating the pension.

I have the honor to forward herewith an application from Mr. M. N. Narayana Iyengar, Peshkar of His Highness the Maharaja's Charities at Tirupati, and to recommend that the extra allowance of Rs 10/- that he has been permitted to draw in addition to his grade pay in G.O.No.835-7/Muz.280-24-4 dated 13th January 1926 may be ordered to be treated as personal allowance for purposes of calculating the average emoluments for pension.

I have the honor to be,
Sir,
Your most obedient servant,
M. Madhava Rau.
Muzrai Commissioner.

titio. No.57 dated 5-8-35 from the Peshkar, Mysore State Charities, etc., to the Muzrai Commissioner in Mysore.

I beg to bring to your honour's kind notice that I am now drawing my pay and allowances as fixed in the G.O.No.835-7/Muz.280-24-4 dated 13-1-1926, a copy of which is submitted for kind and ready reference.

The last biennial increment of Rs 5/- was sanctioned from the 24th June 1932 raising my pay to Rs 87/- so as to correspond with the grade pay of Sanitary Inspectors, and, besides, I am drawing the personal allowance of Rs 10/- kindly sanctioned in the above Government Order, and a Dholly allowance of Rs 10/- p.m. My total emoluments now amount to Rs 107/- exclusive of the ensionary contribution.

I beg to submit that the pay of a few of the Sanitary Inspectors, who have put in the same service as myself or, who are juniors to me by a few months, have been promoted to Rs 100/- grade. I beg to quote the names of some of these who got the grade. They are, Mr. Narahari Sastri, S.I., Mysore; Mr. P. Venkatarama Iyer, S.I., Bangalore City; Mr. Ananthiengar, S.I., Kolar, etc. It may be kindly observed that I too would have got Rs 100/-, if I had either continued in that department, or, if my lien had not been permanently taken away.

As I am to retire by the 11th July 1936 as matters stand at present, I beg that the allowance of Rs 10/- drawn by me since January 1926, may graciously be consolidated, and my pay be kindly raised to Rs 100/- p.m. with retrospective effect by a small addition of Rs 3/- p.m., as in the case of my co-officials. This small concession, if generously extended, will enable me to draw a pension of Rs 50/-, and live a peaceful life in my old age.

I humbly beg to submit that it is for Your Honour to judge whether the concession requested for, is deserved or not, having regard to the responsible and onerous duties of the Peshkar at Tirupati, and the way in which they have been discharged by this humble servant.

Further, I may be kindly permitted to submit that, except the pension I get, I have no other means of sustenance and have to depend on it entirely for the support of my large family.
